## RICCARDO AGOSTINI JOINS HILMER

Riccardo Agostini is ready for a new challenge in the GP3 Series, wearing the colours of Hilmer Motorsport - the official GP3 partner of Sahara Force India Formula 1 Team – since this weekend in Austria.

*"The programme we set is virtuous and realistic. – commented Agostini - I am happy to debut in the GP3 Series with the Hilmer Motorsport. I met the team and I feel to have a good relationship with everyone. The partnership with a F1 team such as Force India is an added value. In this championship a positive result has a double value. It's a unique opportunity to be under the spotlight, even if the level of the series is very high. From the next week I will be again in the front line... and I can't wait for it!"*

Agostini is at the moment the only Italian driver in the series this year.
